Brothers and Sisters:

Please be advised that a tentative agreement has been reached and we will not be going on strike on 0001 Saturday.

This was not easy. The Minister of Labour announcing the intention to introduce legislation that would prevent a strike from taking place certainly presented significant challenges.

The agreement is essentially the October 31 MOA with modifications to address those things that the Local Chairman raised as presenting the most difficulties.

We are currently proofreading the documents and will be forwarding it tomorrow. We apologize in advance for not having a French copy available but we are advised it should be available very quickly.

The agreement is, of course, subject to ratification. We will be relying on the same address list used on the last ballot so if you didn't get a ballot, contact your Division Secretary Treasurer and make sure it is updated.

In Solidarity,

R.A. Hackl, General Chairman

J. M. Robbins, General Chairman

D. Joannette, General Chairman

J. Holliday, General Chairman
